Ann-Marie Blair

To whom it may concern,

My name is Christine Salmon Manager of the Helensville Women & Family Centre and have known Ann-Marie Blair since Oct 2013 to Nov 2015 when she joined the HWFC as a Student Placement Counsellor.

In her time working in the Centre I found her to be professional, easy to get on with including others working in the Centre and confident in her role.

Her work with clients was positive in the feedback received verbally and in evaluations. She is dedicated to assisting people in need of support through her counselling expertise.

Ann-Marie is aware that collaboratively engaging other supports greatly contributes to the best possible outcomes for Service Users. She is aware of processes and systems and works diligently to adhere to what is required of her.

I recommend that Ann-Marie will be an asset to any organisation that employs her. She is diligent and mindful of the ethics required under counselling and organisations that deliver those services.

Yours faithfully

Christine Salmon
Manager
